

Keiron E.J. Hart

BSc (Hons) Arboriculture

Arboricultural Association (Fellow)

Chartered Environmentalist

Member of the Institute of Chartered Foresters

Member of Expert Witness Institute

Arboricultural Association Registered Consultant

Launched in 2013 Tamla Trees Ltd is owned and managed by Keiron.

He has been working in the industry since 1998. He spent 7 years as a Local Government Tree Officer moving to the private sector in 2005 with Landscape Planning Group. From 2008 – 2013 he was Head of Arboriculture for Marishal Thompson Group.

Keiron has in-depth knowledge of Tree Preservation Orders from his time as a Tree Officer. Keiron delivers training courses and has addressed multiple conferences on a wide variety of topics.

He has widespread experience of Planning & Development consultancy within both the public and private sector. He has represented clients at multiple planning hearings.

He is experienced in the delivery of Tree Risk Management services, project managing volume surveys and compiling tree policies. He has acted as consultant on many 1000's of tree related subsidence claims and regularly compiles CPR compliant expert witness reports.

He has acted as expert witness on many cases; including high value property damage claims and the provision of expert evidence under cross examination in relation to tree failure fatality, personal injury, invasive species & property damage. He has successfully sought and advised on multiple s202 compensation claims.
